"TWICO CONVERGENCE"

Crypto Fintech Investments Conference

*Traditional and innovative fundraising tools
at the service of new business projects*

Milano, October 10th 2018. *Twico Convergence* will be held in Milan on 11th and 12th October 2018 at Museo Nazionale della Scienza e della Tecnologia; it is the first Italian *Investor Conference* that aims to create a platform for meeting and relationship development between investors and entrepreneurs, to bridge the gap between ideas, market and money, placing at the centre the planning and strategic dimension of the various business projects and framing the different forms of finding the most innovative financial resources as complementary levers to pursue a unitary objective to support innovation.

The conference will involve high-profile figures of Venture Capital domain, Business Angels and Incubators among which Andrea Di Camillo (**P101** – Founder & CEO), Fausto Boni (**360 Capital Partners** – Founder & CEO), Gianluca Dettori (**Primomiglio Sgr** – Founder & CEO), Gabriele Ronchini (**Digital Magics** – Director), Matteo Masserdotti (**200crowd** – CEO) that will start the Conference speaking in the round table “*Convergence: Bridging the gap between Ideas, Markets & Money*”.

During the conference the themes related to the application and the relation between blockchain and SMES, Industry, sharing economy and sustainability, music and art will be deepened; as well as issues concerning the advent of cryptocurrencies, the financial innovation underlying new fundraising tools (ICO: Initial Coin Offering and STO: Security Token Offering) and the associated regulatory aspects.

There will be several start-ups which will present their projects to the investors’ audience.
